NSR Fall Classic

Outdoor Arena/Rodeo Grounds Trailer Parking & Weanling Pig Sales

Heightened biosecurity concerns nationwide have been the topic of discussion in several recent swine industry leadership meetings. One specific event that has continually entered the discussion has been the outdoor arena pig sale at Duncan. Biosecurity concerns stemming from the 2021 Fall Classic outdoor arena pig sales prompted a discussion within the NSR Executive Committee to revamp the policy and procedures for selling weanling pigs off the trailer at the Fall Classic. ALL pigs coming onto the grounds must meet the Fall Classic health regulations - Oklahoma Department of Agriculture veterinarians check each pig and Certificate of Veterinary Inspection (CVI) upon arrival for admittance to the grounds. However, in the past pigs have been leaving the Stephens County fairgrounds without proper health certificates. Interstate transport of livestock without proper health certificates not only compromises the integrity of our show industry and puts the commercial swine industry at risk, but it is also illegal. Several buyers found this out the hard way when trying to return to Texas with weanling pig purchases in 2021.

To strengthen the biosecurity of the NSR Fall Classic, veterinary service will be available on the grounds, so outdoor arena trailer sellers can re-consign their pigs to the buyers, and the buyers can leave the grounds with a valid CVI. This service will be provided at no additional veterinarian cost to buyers. In 2022, approximately 90% of weanlings merchandized through the Outdoor Arena/Rodeo Grounds were reconsigned and issued new health papers.

To provide this service, the cost to enter the Outdoor Arena/Rodeo Grounds Parking Lot to merchandize weanling pigs will be \$250 per trailer. If you have made at least five (5) entries for the Fall Classic Weanling Pig Sift or made at least three (3) entries in the Breeding Stock Show, you will receive entry for \$50 per trailer. If you don't intend to sell weanling pigs in the Outdoor Arena/Rodeo Grounds, you will be eligible to park your trailer at no cost like previous years.

Thank you for your cooperation on this vitally important issue. If you have questions, please contact NSR CEO Matt Claeys at (765) 427-9078 or mclaeys@nationalswine.com.

IMPORTANT REMINDERS

- **We highly recommend printing these requirements and reviewing them with your veterinarian.**
- **Please review CVI's prior to leaving for the event to ensure all required information is completed accurately.**
- **Oklahoma Exhibitors: Some requirements listed above may be in addition to the health requirements for fall shows in Oklahoma. However, they must be included on the animals CVI's in order to be exhibited at the Fall Classic**
- Oklahoma Department of Agriculture Veterinarians will inspect all animals and CVI's prior to unloading. Any animals not meeting health requirements may be prevented from exhibition at this event.
- In some instances, these rules are in addition to Oklahoma regulations, but are necessary to sell animals into other states to meet interstate transport and entry requirements for swine.
- The rules above are the same for breeding stock & weanling pigs unless specified otherwise.

If the animal sells, the fee will be applied toward the sale commission. If the animal does not sell, the fee is forfeited.
- All animals selected and cataloged for the sale MUST go through the auction. Sale commission will be 15% for all animals. If an animal that is selected and cataloged for sale does not go through the sale ring, the exhibitor will be banned from exhibiting at NSR/ABA events for one year and will be charged 15% of the average selling price of their respective breed sale. This amount must be paid before reinstatement will be allowed. The exception to this rule will be if an animal has become injured or ill and is inspected by an NSR/ABA staff member prior to the sale.
- The NSR/ABA acts only as the agent between buyer and seller. If proper payment is made by the buyer in a timely manner the NSR/ABA will make settlement with the seller in approximately 30 days after the sale.

PUREBRED BREED ELIGIBILITY REQUIREMENTS

- By entering any purebred hog in the NSR/ABA Fall Classic, the owner warrants that the hog meets specific breed requirements.

There will be no refund of NSR/ABA commission from animals that fail their respective breed testing.
