4-H & FFA Livestock Judging Coaches:

Hormel Foods is again proud to host the ***National Barrow Show® Swine Judging Contest*** at this year's 76th NBS®. The contest will be held Monday, September 12, 2022 at the Mower County Fairgrounds in Austin, Minnesota.

Registration will take place between 8 AM and 8:30 AM on the fairgrounds. The contest will begin at 8:45 AM in Crane Pavilion. **Coaches and contestants may not be on the show grounds before 6:30 AM Monday, September 12, 2022.**

Schools and organizations will be limited to 10 students judging in competition. Any 4-H or FFA may register two teams of four individuals each; the three highest scoring team members will comprise the team total. Two additional contestants may be entered to judge as individuals. **Note:** 4-H team members must be from the same county or club and FFA team members must be from the same chapter unless pre-approved. Please refer to the reverse side of this letter for the class breakdown. Five questions will be asked on 1 class at the completion of the last class of the day being evaluated. Contestants will be allowed to use notes taken as questions are being asked. Officials will follow at the completion of the contest. **Note:** a truckload class has been added to the contest, placings only 1-4.

We will be using JudgingCard.com this year for all participants with the scantrons available at registration. All participants will be eligible to compete for individual honors, with high team and high individual awards being presented Monday, September 12th shortly after the contest.

There is a \$30 entry fee payable to The National Swine Judging Contest X. Pre-registration is not required in this division. However, it does speed up the check-in process on contest morning, so if you know you are attending please confirm. **Enter your team** by returning the enclosed **entry form** via mail to the above address, or via email to zjcanterbury@hormel.com. **Please complete and bring** the enclosed **registration form** with you to the contest. This will greatly help with the new process of using JudgingCard.com for scoring.

If you need lodging, contact the Austin Convention and Visitors Bureau at 507-437-4563 or visit www.austinmn.com for information. For directions, visit www.mowercountyfair.com.
